Notes from Mike

Field trial dates- March will be busier than usual for the field trial committee as we host back-to-back events at the Chatham farm. We will host the annual Greg Cahlik Memorial on Sunday, March 11, followed by a regular trial on Sunday, March 18. Game birds on the field will be chucker partridge. Committee persons should report by 8:00 a.m. As is always the case for any club sanctioned event, the outdoor range will be closed until the conclusion of the event. You may contact Mike Kristof at 216-570-6526 on trial days, and I should be able to give an approximate time the range may open for the day.

Conservation work parties- With spring knocking on the door, before you know it we will be back at the work necessary to maintaining our club grounds. With the addition of the Arter farm to club holdings, the conservation committee will continue to strive to maintain a healthy balance between conservation and the recreational use of our property. Planting food plots for wildlife and the dove field at the Spencer Lake Road farm are just a couple of annual projects that need to be addressed. Watch for e-blasts as the weather breaks and the conservation committee schedules work parties.

Correction

It has been brought to our attention that the dates listed for youth archery at Ridge on the calendar and in the newsletter are incorrect. Youth archery begins on February 17 and runs for five weeks at the indoor range at Ridge. We apologize for any confusion this may have caused.

Outdoor Range Orientation class

Outdoor Range Orientation is mandatory for anyone who wishes to use the Outdoor Rifle/Pistol range and new members who have not taken the orientation class. Only those members who have taken the orientation and have a range access sticker will be permitted to use the range. Please remember that you must wear your name badge on any SCSA property or you will be asked to leave. Orientation classes are held at 7:00pm on the fourth Thursday of each month. For more information please call Jim Swartz after 4:30pm at 440-884-5394 or Tim Zagrabik After 4:30pm at 216-676-8095.

Concealed Carry class available

SCSA is offering NRA Basic Pistol Classes to its members, their families, and friends. These classes satisfy the requirements of the state of Ohio to receive a CCW License. The course is eight hours of classroom lecture and range time. This course will supply all the books and information necessary to receive your CCW license. The cost of the course is only \$95.00 and includes lunch. To register, please contact Jim Swartz at 440-884-5394.

Need people to score Sporting Clays events

Scoring a Sporting Clays event is an easy way to get a work party under your belt. Don't know how to do it? We will be having a short instruction session at 1:00 pm on Saturday, March 10, and it should last less than an hour. Scorers get a free lunch the day of the event, and are invited to attend a special Scorer's Luncheon when the season is over. If you have any questions, please call John Basilone at 440-346-5323.

Membership renewal instructions for 2018

Renewals of SCSA memberships for 2018 are now being accepted. Your 2017 membership card with signatures and work party stickers, proof of current NRA membership, your signed “release from liability” form (see back of this page), and payment are required. No photocopies of membership cards will be accepted. Renewals will not be accepted if you do not have the proper credentials. This also applies if you are renewing for another member. Memberships may be renewed at general membership meetings after 7:30 or by mail.

For 2018, renewals are subject to a one-time assessment of \$200 for the purchase of additional land (see the June Newsletter for details) in addition to the annual raffle. Raffle ticket stubs may be turned in when renewing membership. Membership cannot be renewed without the signed release, even if dues are paid.

This year, conservation work party stickers will be green, and general work party stickers will be violet. All renewals must have three work party stickers attached to the membership card. First-year members must have two conservation work party stickers out of the three required; other members may have three work party stickers in any combination. These rules apply whether or not the member hunts.

Your dues include the cost of your two raffle tickets, which have already been sent. Dues are:

\$328.00 – three work parties

\$382.00 – two work parties

\$436.00 – one work party

\$490.00 – no work parties

Junior member dues: \$5.40 plus signed release from liability

Spouse access dues: \$5.40 plus signed release from liability

Upon payment of dues, current year stickers will be issued to members to place on their yellow ID badges. Please remember to wear your ID badges when on club grounds.

We prefer you pay your dues by mail to avoid long lines at meetings. Please send your check or money order (payable to SCSA) along with your membership card (no photocopies), proof of current NRA membership, signed liability release (see back of this page), and a self-addressed stamped envelope to **Steve Petrencsik, 3173 West 71st Street, Cleveland, OH, 44102-5265**. Please include your new address, if you have moved. You may also include your raffle ticket stubs. Please note that your renewal will be delayed if you do not include all the necessary paperwork. If you have any questions, please call Steve at 216-961-5935.

As a courtesy to Steve, please do not bring your dues to his residence, as they will not be accepted.

Renew your NRA dues online through our SCSA website!

It helps out SCSA, too!
