Ridge Road Property – Work Party Projects for 2023

It takes a lot of volunteer hours to keep the club afloat – not all are fun, for specific events or disciplines. We need assistance keeping buildings, equipment and grounds in good working condition. If you have specific skills or experience in the trades (plumbing/electrical/carpentry/mechanical) please let us know as your assistance and guidance are appreciated.

Targeted projects for the year include: Scrape & Paint Buildings (most needed sides/viewable first), Repairs to woodsiding of Buildings, Paint Trap Pits (outside) & Doors, Road maintenance (fill potholes & grade w/ new gravel when arrives), Clean out trash and rotted wood from between Sheds (organize remaining materials), Loading Trap Pits (when necessary), Brushog and Maintenance on Archery Course, Repair or Remove damaged Archery stands, Bring in Lumber from Woods using Tractor & Gator, Fill any ruts/holes in the Woods, Split and Organize Firewood, Dismantle stairs to former Bridge, Weedwhip all earthen stairs and bridge areas, Build a hand rail on Walking Bridge.

Tentative dates for 2023:

April	7^{th}	Friday 3-6 PM	August	11 th	Friday 3-6 PM
	8 th	Saturday 8-12 PM		12 th	Saturday 8-12 PM
May	12 th	Friday 3-6 PM	September	8 th	Friday 3-6 PM
	13 th	Saturday 8-12 PM		9 th	Saturday 8-12 PM
June	9 th	Friday 3-6 PM	October	6 th	Friday 3-6 PM
	10 th	Saturday 8-12 PM		7^{th}	Saturday 8-12 PM
July	7^{th}	Friday 3-6 PM	November	10 th	Friday 3-6 PM
	8 th	Saturday 8-12 PM		11 th	Saturday 8-12 PM

*All dates/projects are dependent upon the weather. Please confirm online as dates/times could change – or call me directly.

We do have the Club's equipment to use (Tractor, Brushog, Mowers, Weedwhips, brushes, rollers, paint, gas, shovels, brooms, etc.) so if you know how to properly operate this equipment great. If not, you will be assigned tasks that do not require much training. This work is physical so if you have a bad back or prefer to be a supervisor, please participate in another work party, project or event.

Please bring ear and eye protection, work gloves, helmet/faceshield, workpants and comfortable work boots. Feel free to bring your own equipment if you prefer to use. Water & possibly some breaktime snacks will be provided. Questions or concerns, feel free to contact me.

Looking forward to it,

Brian Klecan
